

**Spitting Feathers Deli** was opened by Louisa in Spring 2020 to bring freshly prepared and home made take-away to Seahouses.

Specialising in delicious rotisserie chicken, roasted everyday in store and locally caught crab bagettes, we also serve breakfast, wraps, jackets, hot and cold deli and homebaked sweet treats...

Many items are prepared and baked locally in Seahouses, using local produce where we are able, our chicken comes from Soanes of Driffield. We keep our carbon footprint as small as possible and only use compostable packaging, wooden cutlery and no plastic bottles - even our water is in cans!
